

2017-2018 Tuition

Trudy's offers a safe and convenient monthly payment plan, called the "Recurring Payment Plan" (RPP). This is a cost-saving tool whereby you enter a debit/credit card into your Trudy's online account when registering and your **Discounted Monthly Tuition** is debited based on your chosen RPP plan.

Two RPP Payment Plan Options:

1. **Tuition Only RPP** – Automatic monthly debit for tuition only, on the 1st of each month. With this option performance fee balances will be due in November.
2. **Tuition with Recital Fees RPP** - Automatic monthly debit for tuition on the 1st of each month and recital fees of \$35.00 on the 15th of each month. Balance of performance fee will be due in November.

If another method of payment is needed, please contact the office to discuss options (843-795-8660).

More Information about our Classes!

- We have added **NEW exciting classes** to our 2017-2018 schedule!
- Get the best value by purchasing the **NEW Unlimited Classes** option and take full advantage of our schedule and new classes! Rates are per person, not per family.
- Students of **ALL** ages are given the opportunity to take more than one class per week, even our preschoolers! Please discuss options with your teacher.
- **Booster Classes** are by teacher invitation only and are ½ price of the standard amount of the class.
- Tuition is non-refundable
- Trudy's monthly tuition charges are based on an 11-month dance calendar year beginning August 1st through June 1st. Tuition rates are divided into 11 monthly payments, helping to keep monthly costs lower.
